

American Tug 395

2024/2025 Standards

Specifications

- + 41'6" Length Overall
- + 38'6" Length on deck
- + 37' Length at waterline
- + 14'7" Height above waterline (to top of mast)
- + 13'3" Beam
- + 3'5" Draft
- + 25,000 lb. Displacement
- + 400 Gallon fuel capacity
- + 120 Gallon fresh water capacity
- + 45 Gallon waste capacity
- + Single Cummins 380 HP Engine

Pilot House

- + Ultraleather covered seating for four with electric sliding helm seat, storage drawers under seats
- + Overhead console
- + Intermittent windshield wipers with self park and washing system
- + Lighted compass
- + Chart storage compartment
- + Four hand grab rails, two each forward and aft of pilot house doors
- + Red lights over chart table for night navigation
- + 12v and 110v outlets
- + Two stereo speakers
- + Six opening windows and screens

Salon

- + Custom Ultraleather covered L-shaped settee converts to double bed with storage under
- + Salon table with adjustable pedestal
- + Stereo system with AM/FM/Bluetooth
- + Two stereo speakers
- + Pleated day/night shades
- + 110v outlet
- + Port aft cabinetry
- + Three opening windows with screens
- + Sapele and Maple sole

Galley

- + 3 burner propane stove and oven
- + Upright Nova Kool Refrigerator/Freezer (freezer on bottom, 7.3 cu.ft.)
- + Microwave oven above refrigerator
- + Hard Surface countertop with stainless double sink
- + Multiple 110v outlets
- + Drawers and storage cabinets
- + Cutting boards custom fit to sink

Stateroom (Single Stateroom Model)

- + Center island queen berth (80" L x 60" W - tapered at foot)
- + Four drawers under berth
- + Hanging locker cabinet with shelves and drawers
- + Upholstered bench seat with storage
- + Reading lights at head of berth
- + Three-way switching for overhead lights
- + Ocean Air Sky Screen for Bomar hatch
- + Two round stainless steel ports with screens
- + 110v outlets

Master Stateroom (Two Stateroom Model)

- + Center island queen berth (76" L x 57" W - tapered at foot)
- + Four drawers under berth
- + Cedar lined hanging locker to starboard
- + Locker with shelf to port
- + Reading lights at head of berth
- + Three-way switching for overhead lights
- + Ocean Air Sky Screen for Bomar hatch
- + Two round stainless steel ports with screens
- + 110v outlets

Guest Stateroom (Two Stateroom Model)

- + Upper (single) and Lower (double) Bunk
- + Hanging Locker
- + Large drawers under berth
- + Three reading lights
- + Two round stainless steel ports with screens
- + 110v outlet

Head

- + 12v fresh water toilet
- + Vanity with storage and mirrors with Hard Surface countertop with under mount stainless sink
- + Large fiberglass stall shower with glass door
- + Sapele and Maple sole

- + 1000w electric heater in salon
- + 750w electrical heater in master stateroom
- + 28,000 btu, reverse cycle heat/air conditioning system (East Coast model) OR, diesel furnace (West Coast model)

Mechanical Systems

- + 6kw Northern Lights genset with sound shield
- + Side-power 8hp twin prop bow thruster with joystick control
- + Side-power 6hp stern thruster with joystick control
- + Side-power remote control (bow and stern thrusters)
- + Stainless steel prop shaft with dripless shaft seals
- + Propeller CNC-machined to class "S"
- + Composite rudder and skeg
- + Wet/underwater exhaust system on main and genset
- + Seawater strainers for main and genset
- + Racor filter for genset
- + Dual Racor filters for main engine
- + Oil changing system (main, gear, genset)
- + Automatic water pressure system
- + Sound deadening in engine room and tank room
- + Three 2000gph bilge pumps with automatic float switches
- + Waste discharge system with macerator
- + Electronic shift and throttle system

Electrical System

- + Remotely controlled battery switches
- + Breaker panel with backlighting
- + Battery combiner system for charging
- + Three 4-D AGM batteries for house (600amp hours)
- + One 4-D AGM battery for main engine start
- + One 4-D AGM battery for bow thruster
- + One group 24 battery for generator start
- + 2000 watt inverter/charger
- + 30amp shore power service with power cord (two if air conditioned)
- + Defroster system for pilothouse windows
- + International navigation lights LED type
- + All LED lighting throughout boat
- + Dual trumpet air horn

Steering System

- + Stainless Edson helm wheel
- + Autopilot valve system installed
- + Hydraulic pump and cylinder
- + Integral rudder port with bearing and dripless seal

Tankage

- + Tank monitoring system for all tanks
- + 120 gallons water in FDA approved poly tanks
- + 11 gallon water heater with heat exchanger and 110v heat
- + Taste/odor filter for galley fresh water
- + 45 gallon waste tank
- + Two aluminum fuel tanks (400 gallons total) each with sight glass and valves

Deck

- + 316 Stainless steel two arm transom davit
- + 1-1/2" waste and water fittings
- + 2" fuel fills
- + 316 stainless steel 1-1/4" bow rails with stainless steel burgee staff
- + 316 stainless steel 1-1/4" sundeck rails and ladder
- + 316 stainless steel bow roller assembly
- + Bomar hatch in trunk cabin
- + Color matched powder coated aluminum framed and sliding or hinged doors
- + Access hatch to lazarette in cockpit
- + Seawater Washdown system in bow and cockpit
- + Swim Platform with stainless steel edge guard
- + Transom door
